

## ■ GUARNIZIONI PER CASSERI

Le nostre **guarnizioni per casseformi** ANELTEC sono realizzate sia in gomma antiolio sia in PVC morbido antiolio. Grazie ad un'ampia gamma di oltre 100 profili differenti, offriamo soluzioni versatili e personalizzabili in base ai requisiti specifici di ogni progetto.

Le nostre guarnizioni si distinguono **per elevata resistenza a olio, grassi e agenti chimici**, garantita dai materiali di alta qualità impiegati. Per grandi quantità offriamo la possibilità di personalizzazione su disegno, sviluppando nuove sezioni o modificando quelle esistenti per rispondere a esigenze specifiche.
